### THE UNIVERSITY MOTTO

*Quaecumque vera* ... "Whatsoever things are true"

### THE UNIVERSITY COAT OF ARMS

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colors of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains. The book of learning dominates the design.

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The Pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University support the shield. Both wear collars of the University colors, as does the owl. At the base of the coat of arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: *Quaecumque vera* ("Whatsoever things are true").

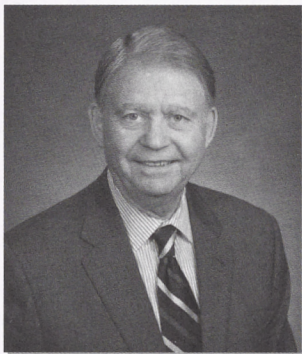

*Please Note:* The Jubilee Auditorium is a "smoke-free" facility.

The list of candidates for degrees, diplomas, and certificates appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information presented is current as of the program printing deadline.

Photographs may be taken during the ceremony, but we ask that photographers do not approach the stage area and ensure that aisles and stairways are kept clear.

# Greetings to the Graduates

Welcome to your convocation!

Today we gather to celebrate one of life's great milestones. While convocation is a time-honoured academic tradition from our past, together we recognize that your education and graduation are a very important part of our community's hopes for the future.

Your achievements here at the University of Alberta will be a foundation for your success in future endeavours. Your graduation today is an important step forward in your lifelong quest for learning and truth.

Congratulations and very best wishes for this day and always.

*Chancellor*

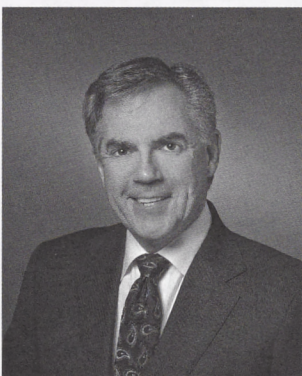

Congratulations to the University of Alberta's class of 2014! Today, on this very special occasion, you join a very special group of more than 275,000 proud alumni worldwide.

The U of A takes pride in your achievements – achievements through considerable investments of time and effort—your degree is a recognition of your accomplishments and the successful outcome of years of study, intellectual growth and personal discovery.

Wherever the next step of your journey may take you, your connection to your alma mater will endure. Throughout your life, remember and be guided by the values we hold dear to this institution. When our first president, Henry Marshall Tory, founded this university, he upheld two ideals: first, that the modern university should be for the “uplifting of the whole people,” and second, that we should pursue whatsoever things are true: *quaecumque vera*. With these two ideals as your beacon, I urge you to follow the lead of thousands of U of A alumni, and with truth and integrity, use your gifts to uplift, build and serve society.

*President and Vice-Chancellor*

On behalf of the Government of Alberta, I am pleased to extend my warmest congratulations to the 2014 graduating class of the University of Alberta.

University of Alberta graduates are among the best educated in the world, and with your world-class education, you are ready to join the ranks of many accomplished graduates before you. During your time at the university, you have developed the capacity to think critically, learned how to overcome challenges, and discovered the commitment necessary to become leaders.

Alberta's economic and social future will be shaped by knowledgeable, creative, and innovative graduates like you. As you celebrate the beginning of a new chapter in your life with your family, friends, and fellow graduates, know that your future is filled with great promise and endless opportunity.

Congratulations on your convocation and best wishes in your future endeavours.

# Our Traditions

## THE UNIVERSITY MACE

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr. Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 – 1970. It was presented by his son, Michael Galbraith, on behalf of his father on 26 May 1970.

Among its elements are: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Emblem. The University motto encircles the staff.

The ceremonial stand for the Mace was donated in 1987 as a memorial gift by family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors 1950 – 1966.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power—but the power of knowledge and the importance of the University in the community.

## UNIVERSITY OF ALBERTA CHEER SONG

*Ring out a cheer for our Alberta  
A song of praise to Varsity.  
For the splendour of our mountains  
Our prairies green and gold.  
Ranked beneath whose glowing colours,  
Thy legions march enrolled.  
Our memories will live forever  
Beloved University.  
We will fight for thee and cheer  
And ever hold thine honour dear.  
Our Alma Mater U of A  
Green and gold! Quaecumque vera!  
Guide us through each coming era,  
Guide us on through battle gory  
To a new and greater glory*

## THE UNIVERSITY CEREMONIAL CHAIRS

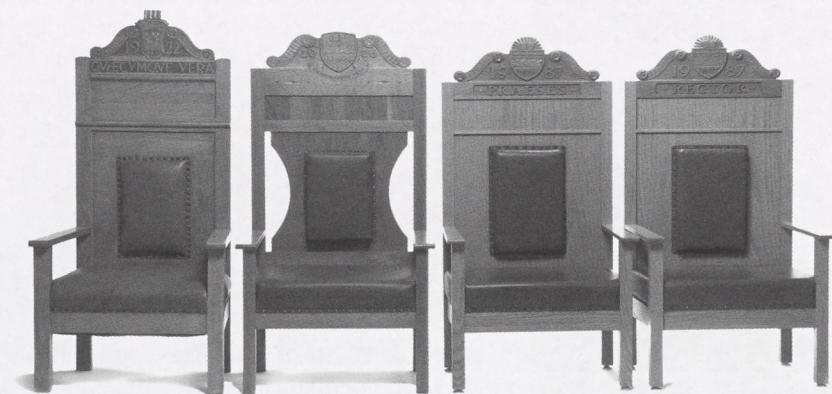

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded-leather back is carved the University motto Quaecumque Vera together with the class year, 1922, and the University emblem.

In 1987, the family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of two additional chairs for use by the President and the Chair of the Board of Governors at Convocation.

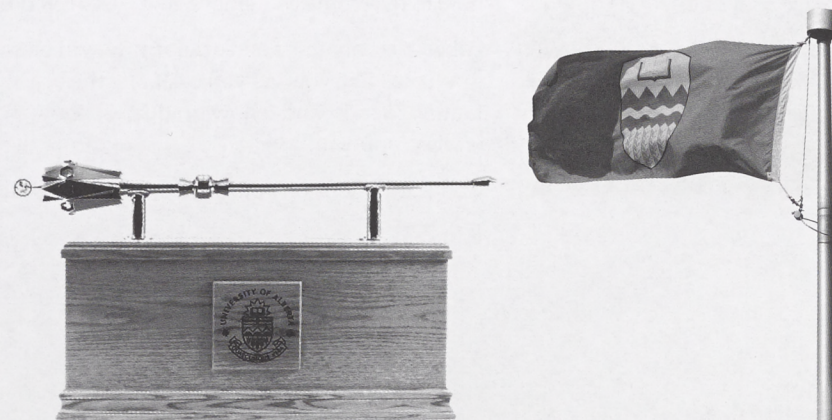

In 2006, a fourth chair was donated in memory and honor of Lois Elsa Hole, beloved Chancellor (1998 – 2000) and Lieutenant Governor (2000 – 2005), by Earl Evaniew, Sandra Kereliuk and their daughter Jennifer. This chair becomes part of the seating arrangements on stage, when the Lieutenant Governor or other high profile dignitaries attend the convocation ceremonies.

# Convocation

Today's ceremony stems from the medieval tradition. The procession of the guild of teachers, whose solemn assembly, or convocation, is the modern equivalent of the medieval magna congregatio of all Faculties. It is led by the Chancellor and the Chief Marshal carrying the mace, the symbol of the University's corporate authority. The academic gowns, hoods and caps declare, in their various designs and colors, the academic qualifications of the Faculty. The citations and presentations by the Faculty to the Chancellor attest to him and to society the degree of proficiency attained by the students of the University. There follows a visible and public act whereby the universitas magistrorum, acting through its Chancellor, confers upon the students the appropriate degree. It is the act, not a certificate, which constitutes the validity of the degree bestowed. The words "I admit you"

and the placing of the students' hands within the hands of the Chancellor and his associates, bind the students in the appropriate degree to the universitas magistrorum. The students thereafter bear for all time the mark of their association with this University. They have received what the University has been and presently is. Because they bear in themselves the promise of the future, they are what the University hopes to be. Despite its solemnity, convocation is a joyous occasion.

Academic dress at the University of Alberta generally follows the tradition of Cambridge University in the design of the gown, and that of Oxford University in the design of the hood. For a detailed description of ceremonial colors, please visit [registrarsoffice.ualberta.ca/convo-apparel](http://registrarsoffice.ualberta.ca/convo-apparel).

## Conferring of Degrees

### THE PRESENTATION

*The Senior Dean presents the candidates for degrees with these words:*

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

### THE PLEDGE

*The President then addresses the candidates in these words:*

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

*Each candidate replies:*

"These things I pledge myself to do."

### THE ADMISSION

*The Chancellor then addresses the candidates in these words:*

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

*The graduates remain in their places.*

# Honorary Degree Recipient

CONGRATULATIONS

## Clara Anne Hughes

Six-time Olympic medalist Clara Hughes once said: "Being a champion is not just about winning." Believing that actions off the track define us as much as those on it, Ms. Hughes inspires people toward success in all areas of their lives.

Ms. Hughes is the only Canadian to have won medals in both the Summer and the Winter Olympics. In the 1996 Summer Olympic Games, she received two bronze medals in cycling; and over the course of three Winter Olympic Games, she received four medals—one gold, one silver, and two bronze—in speed skating. In addition, she served as the Canadian flag bearer for the 2010 Vancouver Olympic Games' opening ceremony, and represented Canada with distinction at the London Summer Olympic Games in 2012, before retiring as an Olympian.

In 2014, she once again figured prominently in the eyes of Canadians as the national spokesperson for Bell Let's Talk, a campaign designed to end the stigma of mental health issues. Undertaking "Clara's Big Ride," she completed a 110-day national bicycle tour through every province and territory in Canada, beginning in Toronto in March and ending in Ottawa on July 1. As part of the ride, she covered 12,000 km and visited 95 communities along the way. Her efforts to grow awareness, acceptance and action to create a stigma-free society have inspired people of all ages across the country.

Ms. Hughes sits on the International Board of Directors for Right To Play, a global organization that uses the transformative power of play to educate and empower children facing adversity. She has challenged Canadian businesses and individuals to match her donations or simply to give what they can to Right to Play, raising over \$400,000 for programs across the globe. Ms. Hughes also donated a portion of her prize money from the 2010 Olympic Games to the Take a Hike Youth at Risk Foundation in Vancouver, firmly believing in the power of sport to help build self-esteem as well as a sense of responsibility and discipline.

Over the course of her distinguished career, Ms. Hughes has won a number of awards and accolades. She was named Female Athlete of the Year by Speed Skating Canada and she received the International Olympic Committee's Sport and Community Trophy. She was honoured with a star on Canada's Walk of Fame; she was inducted into Canada's Sports Hall of Fame; and she was named an Officer of the Order of Canada.

Clara Hughes is respected throughout the national and international sport community. She balances a fierce dedication to the highest levels of competition with an equally fierce sense of compassion and commitment to supporting wellness for all Canadians.

**The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms. Clara Anne Hughes:**

Maria E. Ward. *Bicycling for Ladies: With Hints as to the Art of Wheeling—Advice to Beginners—Dress—Care of the Bicycle—Mechanics—Training—Exercise, Etc. Etc.* New York: Brentano's, 1896.

In the later decades of the nineteenth century, respectable young women began to loosen their corsets and modify their skirts in order to be able to participate in a wider range of physical activities. At the same time, the bicycle was rapidly gaining popularity both for transportation and sport. In *Bicycling for Ladies*, Maria E. Ward explores many of the issues which arose for modern young women as they embraced more active lifestyles in general terms, and embraced the cycling craze in particular. This is a fine first edition of a rare and charmingly-illustrated book which highlights an important time of change for women in sport and in society.

# Honorary Degree Recipient

CONGRATULATIONS

## David Ross Cheriton

David Cheriton is a professor of Computer Science and Electrical Engineering at Stanford University in California. His research includes the areas of high-performance scalable distributed systems, Internet architecture and protocols and hardware-software interaction, particularly at the operating system level. His work has made a number of early contributions to the development of the Internet.

Professor Cheriton was born in Vancouver, BC and subsequently moved with his parents to Edmonton. He attended Eastglen High School – experimenting with homeschooling in grade 11 by taking a year off and completing courses by correspondence – and performing in drama and music festivals and occasionally on radio and TV. An avid windsurfer, snowboarder and cyclist, he retains an ongoing interest in the fine arts.

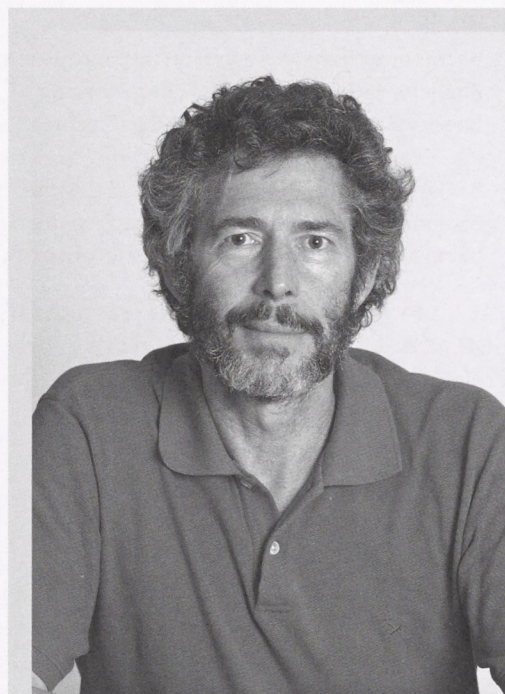

He attended the University of Alberta from 1969 to 1971 before moving to UBC, where he graduated with a B.Sc in Mathematics in 1973. He also spent two summers at the Banff School of Fine Arts in the musical theatre program. With a National Research Council (now NSERC) scholarship, he pursued graduate studies a Masters degree in 1974 and a Ph.D. in 1978 from the University of Waterloo. He accepted a position as assistant professor of Computer Science at UBC, and in 1981 he accepted a position at Stanford.

Professor Cheriton is a recognized leader in computer systems research, having produced a number of widely referenced papers and research systems. His research has received the support of the U.S. Defense Advanced Research Projects Agency (DARPA) for over 20 years, and he has played an active role in various government studies and reviews. His Stanford classes are routinely televised in the Silicon Valley area to leading high technology companies for the benefit of their employees.

A technical advisor to numerous companies including Silicon Graphics, IBM, Sun Microsystems, Cisco Systems and Google, Professor Cheriton has also served as an expert consultant and witness in a number of high technology legal cases. He was co-founder of Granite Systems, then a leading developer of gigabit Ethernet products – acquired in 1996 by Cisco Systems – where he served as a technical advisor until 2003. He was also a co-founder of Kealia Inc. – acquired by Sun Microsystems in 2004 – and co-founder of Arista Networks which went public in 2014.

An active investor in high technology, he has worked with leading venture capital firms in the Silicon Valley area, including Kleiner-Perkins, Caufield and Byers and New Enterprise Associates. As a seed investor, he has also helped provide initial funding for a number of important Silicon Valley companies, most notably Google. He holds a number of patents for his work. He has also made numerous philanthropic donations to support education.

David Cheriton's students have gone on to become leaders in various academic institutions and industry – a testament to his success as an entrepreneur and a mentor.

**The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr. David Ross Cheriton:**

Rachel Walsh. *The Metaphorical Kindle: Explaining the Kindle to Charles Dickens*. Cardiff, UK: Walsh, 2011.

Graduate student artist Rachel Walsh made this charming altered book in response to an assignment in her program at the Cardiff School of Art & Design. Students were asked to explain an aspect of today's technology to a person from the nineteenth century. Her deceptively simple design layers several print formats to create a metaphor which elucidates the basic functionality of an e-book reader while drawing attention to the multi-layered interrelationships between digital and print technologies. This one of a kind artist's book is made from an altered copy of *The Change* by Germaine Greer which houses forty miniature facsimiles of Dickens' novels alongside some of his childhood favorites and some of the artist's treasured childhood reads.

# Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

# Honorary Degree Recipient

## CONGRATULATIONS

### Dennis M. Erker

Dennis Erker has been a driving force in advancing the quality of life of Albertans.

He was born in Saskatchewan and spent his early years there prior to moving to Alberta to complete his high school education. Upon graduation, he attended the University of Alberta in the Faculty of Education before entering the business world. His professional path ultimately led to the formation of a long-standing partnership in the Fairley Erker Advisory Group, which has grown to be one of Canada's premier estate planning and group insurance brokerage firms.

Mr. Erker earned the designation of Chartered Life Underwriter from his industry. He is a charter member and past Chair of the Conference for Advanced Life Underwriting (CALU), a national advocacy group that focuses on legislative and public policy issues related to insurance, wealth creation and retirement planning. He is also a graduate of the Alberta School of Business Institute of Corporate Directors.

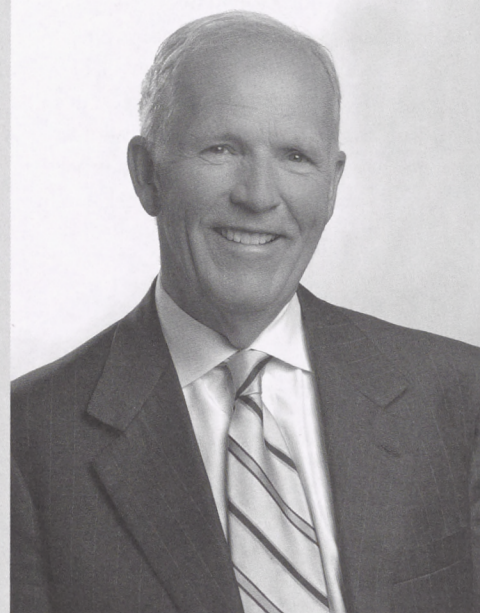

Mr. Erker's service on several notable boards includes the Workers' Compensation Board, Alberta Securities Commission, Novatel, First Canadian Insurance, Millennium Insurance, Coal Valley Investment Corporation, Canadian Hydro Developers and Corus Entertainment Inc. He was a founding board member of IncomeAlta and IncomeAlta II.

A tireless volunteer, Mr. Erker has chaired the World Wheelchair Basketball Championship, the University of Alberta Wall of Fame Dinner, the University of Alberta President's Council and the Edmonton Eskimo Football Club. He has served on Edmonton Northlands, the Canadian Football League Board of Governors and the 2001 World Championship in Athletics. He has also been a director/ committee member for the Citadel Theatre, Minerva Foundation and Edmonton Community Foundation, as well as a past president of the Edmonton Life Underwriters Association.

He served as vice-chair of the capital campaigns for both the Mazankowski Alberta Heart Institute and the Stollery Children's Hospital. An Honorary Colonel with the Loyal Edmonton Regiment, Mr. Erker also took on a leadership role in establishing Valour Place, a 12-suite residence for members of the military and the RCMP and their families to stay, free of charge, while receiving medical or rehabilitation treatments in Edmonton.

He is a recipient of the Commander Canadian Army Commendation, the Meritorious Service Medal, Alberta Centennial Medal and Queen Elizabeth Gold and Diamond Jubilee Medals. He has also received the City of Edmonton Salute to Edmonton Community Service Hall of Fame award and the Edmonton United Services Institute Community Appreciation award.

A catalyst in our community, Dennis Erker has built an extraordinary network of support to galvanize momentum and commitment around important projects benefitting current and future generations.

**The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Dennis M. Erker:**

*Reconstruction: Bulletin...Published by the Department of Soldiers' Civil Re-Establishment for the Information of All Interested in the Welfare of Canada's Returned Soldiers. Ottawa: Department of Soldiers' Civil Re-Establishment, 1918.*

This scarce government-issued serial pamphlet was published to give Canadians insight into the important issue of "fitting returned soldiers into civil life" and more specifically, what can be done to give disabled veterans opportunities to return to civil employment. In a chapter entitled "Soldier Settlement on Land" we learn that throughout Western Canada, many wounded veterans were lured from the city to become farmers, apparently motivated to do so by the "fascination of operating a gasoline engine" and an opportunity to enroll in government-sponsored courses on the care, repair, and operation of the tractor engine. The engraved illustration on the cover shows veterans at work in a variety of occupations across Canada.

# Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

# Welcome to the Alumni Association

## CONGRATULATIONS!

Now that you have earned your University of Alberta degree, you are a member of the Alumni Association. This membership is your gateway to staying connected to the University and to building your network.

You are now one of the more than 275,000 U of A grads whose combined impact is astounding. Collectively, your fellow alumni have founded more than 70,000 organizations globally, and a third of those are non-profit organizations focused on social justice, environment and culture. Together, alumni have created more than 1.5 million jobs, employ one in five Albertans and generate annual revenues of \$348.5 billion.

Now that's something to be proud of.

Your membership in this alumni community starts now. Make the most of it by taking advantages of the exclusive opportunities available through your Alumni Association.

You can keep your student [ualberta.ca](mailto:ualberta.ca) email address and we will contact you there, but make sure we have your mailing address too so we can send you party invitations and New Trail magazine. Just email [alumrec@ualberta.ca](mailto:alumrec@ualberta.ca) or call the Office of Alumni Relations.

Here are some great ways to get started:

- **Save Money**

From discounts on the hottest Broadway shows to savings on insurance, your Alumni Association has you covered.

- **Events**

Alumni Association throws some pretty great parties and, as a grad, you are always the guest of honour.

- **Networking & Mentorship**

Join the alumni LinkedIn group, attend an event or get involved with an alumni chapter and cultivate connections that advance your career and dreams.

- **News**

Whether you prefer your university news in print or online, we'll keep you updated with New Trail magazine and alumni insider contests and perks. Or join the conversation at [twitter.com/UofA\\_Alumni](https://twitter.com/UofA_Alumni).

- **Volunteer Opportunities**

As a U of A grad, you are probably a volunteer. That's just who you are. We'll help you find ways to continue the tradition of giving back by helping connect you with a cause you care about.

The easiest way to access these benefits is by visiting [ualberta.ca/alumni](http://ualberta.ca/alumni) to update your address and opt-in to receive alumni email.

# Je te Retrouve - I Remember You

Music and lyrics by France Levasseur-Ouimet Ph.D. Translation by France Levasseur-Ouimet and Laurier Fagnan  
Bilingual version as it is actually sung (follow bold text). Gray text is translation of what is being sung.

**French** (1st verse and refrain, bridge and last refrain)

1. **Quand je pense a d'ou je viens**  
*A cette route qui m'a conduit a qui je suis*  
**Quand je pense aux jours passes**  
*Ton nom me vient comme un*  
**refrain que j'aime chanter**  
**Quand je pense a tous ces gens**  
*qui ont laisse un coin d'ciel bleu*  
**au fond de moi**

**Refrain**

**Je te retrouve, je te retrouve**  
*Tu es les rêves que j'invente*  
**Tu es la musique que je chante**  
*Tu es la force qui me soutient*

**Je te retrouve, je te retrouve**  
*Tu es les mots que je compose*  
**Tu es les gestes que je pose**  
*Tu es la route qui m'a conduit*  
**d'hier a demain**  
*d'hier a demain*

2. Quand je retourne chez moi  
Par habitude je refais tous les mêmes pas  
Quand je marche dans les rues  
J'entends des voix qui font écho au fond de moi  
Quand je pense à cette langue  
Qui me raconte, qui me recite et qui me dit

**Refrain**

**Je te retrouve, je te retrouve**  
*Tu es les rêves que j'invente*  
**Tu es la musique que je chante**  
*Tu es la force qui me soutient*  
**Je te retrouve, je te retrouve**  
*Tu es les mots que je compose*  
**Tu es les gestes que je pose**  
*Tu es la route qui m'a conduit*  
**d'hier a demain, d'hier a demain**

**Bridge**

**Tu es ma jeunesse**  
**Tu es mes racines**  
**Tu es mon histoire**

**Dernier refrain** (deuxième partie seulement)

**Je te retrouve, je te retrouve**  
**Tu es la source qui m'a nourri**  
**Tu es la main qui m'a petri**  
**Tu es la route qui m'a conduit**  
**d'hier a demain**  
**d'hier a demain**

**English** (2nd verse and 2nd refrain)

1. When I think of where I come from  
Of the road that has led me to who I am  
When I think of days gone by  
Your name comes to me like a melody  
that I want to sing  
When I think of all the people  
Who have left a piece of blue sky  
deep inside of me.

**Refrain**

I remember you, I remember you  
You are the source of my dreams  
You are the music that I sing  
You are the strength that sustains me

I remember you, I remember you  
You are the words that I compose  
You are the source of my every gesture  
You are the road that has led me  
From yesterday to tomorrow  
From yesterday to tomorrow

2. **You have made me who I am**  
*Empowered me to seek and learn and understand*  
**You have taught me how to dream**  
*To value hope, to search for truth and honesty*  
**Memories of youth and friends are like a song**  
*That warms my heart and never ends*

**Refrain**

**I hear your name and I remember you**  
**And all the years that have gone by**  
**Cannot erase the sense of pride**  
**That lingers deep within my soul.**  
**I hear your name and I remember you**  
**The words of those who showed the way**  
**Revealed the course we'd have to stay**  
**To build tomorrow from today**  
**And all our dreams will carry on**

**Bridge**

You are my youth  
You are my roots  
You are my history

**Last refrain**

I remember you, I remember you  
You are the source that has nourished me  
You are the hand that has molded me  
You are the road that has led me  
From yesterday to tomorrow  
From yesterday to tomorrow

If you can, please share this program with a companion. Then, if you do not take it home, please leave it (in good repair) on the table by the doors as you exit. This will help us ensure that someone else can use it on another day of Convocation, and subsequently conserve paper.

Thank you for your assistance.
